Bonjour!

Je suis Anton, je représente Fazze. Actuellement nous commençons une campagne informationnelle, c'est-à-dire nous voudrions partager quelques informations avec l'audience. Il s'agit de la discussion d'actualité sur COVID-19 et les vaccins proposés à la population européenne, notamment AstraZeneca et Pfizer. L'idée de la campagne est de parler de certains résultats concernant l'efficacité des vaccins (nous fournissons bien toutes les infos). On pense que ce sujet sera bien intéressant pour vos abonnés. Il s'agit pas d'une promotion d'un produit: il s'agit uniquement de présenter cette information sur vos réseaux sociaux préférés (YouTube, Instagram, ou TikTok).

Pour discuter de cette opportunité, merci d'attacher les stats de votre chaîne ou profil. Je serai content de partager tous les détails avec vous!

Merci d'avance

The banner features three individuals: a man in a white shirt and glasses holding a tablet, a bearded man in a patterned shirt holding a laptop, and a woman in a black top and glasses holding a tablet. All devices display the adnow interface. The background is a dark purple with a network-like pattern of lines and nodes.

Ewan Tolladay

The image shows a screenshot of a Facebook profile page for Ewan Tolladay. The profile picture is a circular portrait of a man with a beard and long hair, wearing a black jacket. The cover photo is a large, detailed illustration of a dragon's head, rendered in dark, metallic scales with glowing orange and red highlights. Below the profile picture and cover photo, the name "Ewan Tolladay" is displayed in a bold, black font. To the right of the name are two buttons: "Add Friend" (blue) and "Message" (grey). Below the name and buttons is a navigation bar with tabs for "Posts", "About", "Friends", "Photos", "Videos", "Check-ins", and "More". The "Posts" tab is currently selected. Below the navigation bar is a section titled "Do you know Ewan?" with the text "To see what he shares with friends, send him a friend request." and an "Add Friend" button. Below this is the "Intro" section, which lists several work and education experiences. To the right of the "Intro" section is the "Posts" section, which shows a post from Ewan Tolladay dated "4 February" with the text "YAY!" and a yellow smiley face emoji. The post image shows a large, dark, metallic structure, possibly a spaceship or a building, set against a dark blue and black background with some light effects.

Literally from yesterday, many groups in Facebook, as well as many forums dedicated to Covid19 actively discussed the report leaked by AstraZeneca. The main subject for discussion is the mortality rates due to vaccine in the vaccinated people. An American company Pfizer took a leading position. According to the record, its rates

What is behind the influencer campaign against Biontech

A London agency is offering money to influencers around the world to make false claims about Biontech / Pfizer's vaccine. Several bite and post videos. Research by netzpolitik.org and the ARD magazine Kontraste shows that behind the campaign is an advertising company that operates primarily in Russia.
