Fridays for future. The school strike continues! [#climatestrike](#) [#klimatstrejk](#) [#FridaysForFuture](#)

# Takeaways

- URL work makes the dream work.
- Not everyone can master all techniques at all times.
  - Pick an expert or two to keep your team up-to-date!
  - Bonus: Keep a list of examples (successes and failures)!
- If you want to know what works, look for archived URLs. Is there a pattern? Then try to replicate it!
- Do not ask what the archives can do for you - ask yourself what you can do for the archives!
- Be patient!

**Thank you** for your patience!
